## Lo go nama – Do no harm Invoking of Tribal Lore

**Nmdaka Dalai** Australis is the true Original people of this Continent, and is not those who align with or collaborate with corporate Australian Governance and foreign Corporations.

The Original people belong to these lands since the dawn of time and have never been conquered, nor sold or relinquished their 'land' their 'spirit' their 'culture' or their 'lore'. We belong to the lands and the lands belong to us. We hold the highest authority over all our lands.

**Lo go nama Lore** 1488 {OSL-01} (NDA) is the instrument enacted to document and evidence that we are the bloodline connection with ancient Lore and have Proclaimed Peace across our entire Continent.

**We the People** connected to ancient Lore have **Proclaimed** this continent as a Demilitarized Zone and as such will not tolerate anyone arming themselves with combat weapons, in order to arrest or monetise their activities.

Our Custodial Courts of Australis (CCA) are the Tribal High Courts of the people. Ancient Tribal Courts are the Highest Courts of these lands as it has always been since the dawn of Creation. First LORE cannot be superseded by any Foreign Law. Maxim in Law: First in time, first in right. Historical documentation shows that imperial colonials acted unlawfully & illegally to occupy our lands. *functus officio*, mapitja.

Custodial Court (CCA-01) made 12 March 2024 Determines the sovereignty of the people of Nmdaka Dalai Australis. There will no longer be any enforcing, detaining, incarceration, arrest, imprisonment, or prosecution via use of weapons on our lands. Peace shall reign.

All agents of Corporations (such as Courts, Police, Councils, Judiciary, persons, military, corrections et al) shall not arm themselves with guns, handcuffs, tasers, 'sprays' or like weapons (list not exhaustive) unless authorised by Nmdaka Dalai Tribal Council. All are *void ab initio*. Anyone continuing to enforce this system will be prosecuted under International Law. Perpetrating fraud and deception will be prosecuted under International Law for war crimes. All offences will be prosecuted in our Custodial Court and/or in other International Courts.

**Nmdaka Dalai** Australis Proclaims and maintains that '**Law and Order**' will be maintained, notwithstanding this Press Release, but only to ensure safety, security and protection of everyone on this continent and her adjacent islands and Oceans of earth.
