and
Term and Condition of Contract

Notice of virtute officii Occupancy, of The Office of
Steward/Executor for The Mia, Papas, Estate.

Whereas, the living soul, called by: Mia, that scribes One's surname as Yisrael, Isaiah 44:5, whom is known to contract by the name Mia, Papas, while humbly relying upon the blessing of Almighty God, on this the twentieth day of second month in the year commonly referred to as two thousand and twenty-two, do hereby proclaim and affirm that this is Testament to My Will, Claim of Right to Office and the Terms and Condition of Contact for The Mia, Papas, Estate.

Take note: As We are not in the military, We use no military titles such as Mr, Mrs, Ms, Miss, or any other titles, we only use the name of the office to indicate which office we are the occupant of and functioning in at any given time; and

Be it known and remembered by all to whom these presents come, and may concern:

To: Any man or woman, being the occupant of any office, that may believe they have any authority, claim and/or interest in the name: Mia, Papas, [A.B.N. 80 566 190 104] herein after 'The Name', or by any derivative, variation, mutation, permutation, alternate combination, typographical manifestation or representation in any spelling, style or format of any Person/legal fiction, and/or 'personalities/collective entities,' known both jointly and severally hereinafter as 'The Name' or 'The Estate'; and

From: The God-fearing man, a living soul, called by: Mia, herein after referred to as, 'We', 'Our', or 'Us', whose 'Will' is expressed herein and wishes to live in peace and harmony with all living souls, and have cooperation and friendship, here on The Creators Earth; and

First: By this Proclamation We do hereby decree that Mia, with the authority and dominion gifted by The Divine Creator does henceforth claim and occupy ex officio (by right of office) the Offices of: Steward/Executor, Chief Administrator, Principal Guardian, Principal Custodian, Ships Master, and minister, known both jointly and severally hereafter as the 'Executor' and/or 'Steward/Executor' for the 'Mia, Papas, Estate'; and

Second: 'The Office of Steward/Executor', herein after 'The Office', and all foresaid offices for the Mia, Papas, Estate, are hereby occupied ex officio; and

Third: Be it known that We do hereby affirm Our occupancy of The Office of Steward/Executor for the Mia, Papas, Estate, which is part of The Commonwealth of Australia, herein after The

Commonwealth, to which we have a 'Natural Born and/pledged Allegiance' thereto and 'therefore, Claim the Office of Commonwealth Public Official in all matters pertaining to the vigilant protection of any and all property both corporeal and incorporeal belonging thereto and hereby promise to minister any and all property, interests and/or claims in good faith for the beneficiaries thereof, in all matters whilst ministering these Estates, herein after The Estate; and

Fourth: All communication must be mailed to The Office at the venue precisely as indicated below:

The Occupant of the Office of Executor,
Mia, Papas, Estate,
By way of: General Post-Office,
Three / Three-Five Coleridge Street, Elwood,
Original State: Victoria,
The Commonwealth of Australia.

Fifth: Our mission: To minister The Estate prudently with vigilance in the interest of the beneficiaries whilst promoting the testator/grantor's assertion of freedoms, liberties and rights, always maintaining a peaceful relationship with those in care of 'persons' that serve as trustees, fiduciaries/public servants, and to vigilantly ensure they execute their fiduciary duties honourably and with clean hands, as well as those that are appointed by The Steward, in good faith, to serve the interests of The Estate; and

Sixth: We promise to keep and uphold our inherent creed, The Supreme Royal Law of our Merciful Heavenly Father and abide by his divine word as it is written in the King James Version Bible 1611 and to hold true the only valid Law compatible to his people; and

Seventh: Our allegiance: We are a 'National of The Commonwealth of Australia', herein after a 'Commonwealth National', a loyal subject of 'His Majesty The King', and hereby affirm that our natural and promised allegiance is to The Commonwealth of Australia, a constitutional monarchy and common-law country, where the supreme authority is vested in 'the people'. We emphatically refute any assumption or presumption that We are a "Citizen" of any Corporate "Belligerent Sovereign State/Nation and/or Nation-State" hereinafter "The State"; and

Eighth: We do not accept any benefits or privileges of The State and do not willingly consent or submit to any foreign entity claiming military and/or civil authority over us; and

Ninth: We reserve the right to occupy 'The Office of Commonwealth Public Official' (CPO) and any abandoned office of The Commonwealth in defence and protection of The Estate in good faith, if We believe it is necessary to do so; and

Tenth: Take Note: We are not in the military nor spies, enemy combatants, rebels, hostiles, barbarians, nor belligerent in any way shape or form; Our wish is to live in peace with all living souls; and

Eleventh: We are neutral, at peace with all, whilst being aware that the Government of The Commonwealth is being administered by a Belligerent Foreign Occupier under a pseudo form of corporate quasi martial/military law, imposed by deceit, stealth and subterfuge, falsely claiming the right of usufruct of public property (Legal Fictions/The State cannot Declare War); and

Twelfth: Furthermore, whilst all public property is presently held in 'abeyance' by the Belligerent Foreign Occupier, The Estate is private and not subject to usufruct; and

Thirteenth: It is Our Will to be left in peace as neutrals, exercising self-determination, as We are self-governing with immunity from all foreign entities. Also, as non-belligerents, We claim absolute right to safe harbour, innocent passage, hospitality and quiet enjoyment of our Natural Private Person/s and Private Property, as well as our natural right to trade, contract, keep and mind our own business, without inconvenience and/or interference from any State Principal, Agent or Contractor thereof;

Fourteenth: Administration: All military courts, Office of the Provost Marshal, common law courts of record, courts of equity, administrative courts, courts of admiralty legislative courts, prize courts; Office of the Sheriff/Admiralty Marshal, Bailiffs, tribunals, public/civil servants, service providers, contractors and the officers of the public trust have a duty and responsibility to acknowledge the authority of The Office of Steward/Executor and Commonwealth Public Official for all matters regarding the administration of any claims against The Estate and/or The Commonwealth; and

Fifteenth: We are also aware that [in 1966] the lawful money of The Commonwealth was substituted (without referendum) with fiat/military scrip (debt instruments), thereby making it impossible to expunge any debt, as a debt cannot be paid with a debt. We use military scrip only out of necessity; and

Sixteenth: As The Office of Steward is now occupied virtute officii, henceforth, no office, nor officers possess any lawful rights or our recognition to continue as agents, administrators, ships master, custodians and/or guardians on our behalf, therefore, whether they had acted through an office of custodian, protector, steward, keeper, guardian, attorney-in-fact or by any other title, We hereby repudiate all policies, statutes, contracts, presumptions and/or assumptions of executorial or administrative authority and do hereby decree their acts null and void from the beginning; and

Seventeenth: This Office does hereby rescind, revoke, quash, obliterate, annul, annihilate, extinguish and refute, any and all known or unknown, presumed or assumed, forced or fraudulent, legal or illegal, military or civil, public or private claim of authority (including but not limited to), power of attorney, power of guardian, custodianship, trusteeship, ward-ship, ship's master-ship, ships agent's authority, management, superintendence, protection, carer, surveillance, governance, administration, tutelage, mandate, control, usufruct, usury, order, notice, contract, licence, permit, fee, charge, tax and/or fine by any and all, (including but not limited to), governments, paramilitaries, persons, companies, corporations, private or public entities; and

Eighteenth: We retain Our unalienable Freedoms, Liberties and Rights not to be compelled to perform under any contract or commercial agreement that We did not enter into without full disclosure, doing so knowingly, freely, willingly, voluntarily and intentionally, with a meeting of the minds, good or valuable consideration and the wet ink autograph/signature of all contracting parties; and

Twentieth: We may at times out of need and necessity to travel peacefully without threat, intimidation and harassment by corporate paramilitary forces of any belligerent 'Sovereign State' obtain and carry a 'license' and/or 'passport' in The Name of The Estate, however this shall not be construed as relinquishment or abandonment of any Inherent (God given) Rights as it is being done under duress, so as to avoid any conflict with any belligerent Agents, Contractors or paramilitary of The State; and
